DR. ROBERT P. LEE, PhD.

Chairman and Chief Executive Officer of Achievo Corporation

Introduction

Dr. Robert P. Lee is chairman and chief executive officer of Achievo Corporation, the leading global software and information technology outsourcing provider with a local front-end and China back-end service model.

Dr. Lee is a 30-year veteran of the computer industry. In addition to his duties at Achievo, Dr. Lee is a member of the board of directors and advisor to several companies.

Experience

Prior to joining Achievo Dr. Lee served as president and CEO of Inxight* Software, Inc. Before joining Inxight he was the chairman, president, and CEO of Insignia Solutions plc, a software company he took public in 1995.

Prior to Insignia Solutions, Dr. Lee was executive vice president at Symantec Corporation where he led the acquisition and integration of many companies, including Peter Norton Computing. He was senior vice president at Shared Medical Systems Corporation (which has since merged with Siemens), and earlier in his career he held various technical and business management positions at IBM and Computer Sciences Corporation.

Education

Dr. Lee received his Bachelor's degree from UC Berkeley, and his Master's and PhD from UCLA, all in computer science.

Professional Affiliations, Publications and Recognition

Dr. Lee travels extensively and is an expert on conducting business in the Far East. He logged multiple terms as chairman and president of Silicon Valley's Asia America MultiTechnology Association.
